
order question

Posted by Radar_12 - 2007/08/02 13:18

Hi. I ordered a Greddy Ti-C exhaust on July 16th and have not recieved it. My order number is 790. Does it usually take this long or did something get mixed up in the process?

Kyle

Kyle we sent you a tracking number for your order already. Let me know if you did not receive it and I'll resend the email to you.
