
Speedo Gear and Bearing

Posted by 2000 eclipse GT - 2008/01/15 10:20

hello i purchased a differential from you guys about a month ago before i went on vacation to mexico and i just came back from vacation and noticed that u guys just sent me the differential but not the Speedo Gear and Bearing i paid for it so i dont understand why i dint recieve it. my cars in the shop and thats what is holding evreything up so please email me back of what we could do about this issue

thanks Raul

my order number was : 1008

Raul, we've been exchanging through email so I just now noticed this. Your speedo gear and bearing are on their way!
Thank you :)
